

## Potential Responsible Party

Vessel Name	Grand Princess
Is PRP Vessel Aware of Incidents	Yes
Will Vessel Be Self Reporting Incident to ADEC-SPAR	Don't know
Remarks	While making open deck rounds on the Grand princess with the Environmental Officer i observed a grayish discoloration coming from port side of Vessel Scrubber water discharge port. Environmental Officer informed me that discoloration was not petroleum based. I shared with Environmental Officer that I understood what he was saying but because of grayish discoloration I am obligated to report it as a hazardous spill report. At time of observation vessel was @ anchor.
